

# COPY OF LETTER SENT TO LCMD'S.

December 12, 006

Dear Pastor,

We are getting many returned mailings from our Local Missions Director database. In order to keep you and your church informed about what is happening in World Missions Ministries, we need to up date our files.

Would you please complete the attached form and return it to the conference? Or you can e-mail us the information at - [latrissia@appconf.org](mailto:latrissia@appconf.org)

Thank you so much for your assistance,

**LaTrissia Black**
