RE: 2012 Chartering

## **Deadline: January 31, 2012**

Christian Greetings! Thank you so much for Chartering with the Appalachian Conference.

I trust you are enjoying the Christmas holidays as they approach and look forward to a prosperous New Year. **Please help us by getting your charter in on-time!** Let's get 2012 off to a good, solid start.

The 2012 Royal Ranger Calendar will be full of fun-filled activities and opportunity for adventure. Be sure to place the events on your Outpost calendar.

Enclosed you will find the Chartering Application for 2012. By chartering your outpost, you provide support for the development and improvement of the Royal Ranger ministry. A portion of the Chartering dues go to the National Office to support training events, Ranger-of-the-Year competition and the Camp-O-Rama every four years.

Paying the chartering fee is like paying tithes to the local congregation: you become a member of the organization. It provides a solid foundation for the Conference Royal Ranger Ministry. Boys are eligible for the Ranger-of-the-Year competition on the Conference level, and potential of moving on to the National Competition. By chartering your outpost, the outpost will be eligible to participate in Conference events, such as the Pinewood Derby and Ranger-of-the-Year. Paying the chartering fee allows the Appalachian Conference to provide awards and prizes at Conference Events.

The page for information on Commanders has changed this year. Please provide detailed information: each Commander, Senior Commander and Pastor's name, mailing address, phone number, cell number and email address. Please mark the age level the commander currently assists with! Please feel free to make extra copies of the Commander page. The information on each commander is important to keep information flowing! The Cell numbers are requested if needed to reach someone during travel.

**Please make checks payable to: Appalachian Conference Royal Rangers**
